Start Your Beekeeping Journey with Confidence

Quality Equipment, Healthy Bees, and Expert Support

If you're considering starting a beehive, I've outlined the basic equipment and associated startup costs to help you get started.

Standard Beekeeping Kit Includes:

- 1 Lid – \$50
- 2 Brood Boxes with Frames – \$160
- 1 Flow Hive – \$350
- 1 Base – \$50
- 1 Feed Pail – \$20
- Bees (Nucleus Colony or Package) – \$350

Total Estimated Equipment & Bee Cost: \$980

Please note that additional seasonal items—such as mite treatments, sugar for feeding, and winter insulation—will be required throughout the year.

Consulting Services – \$50/hour

Whether you're just starting out or looking to deepen your beekeeping knowledge, I offer hands-on consulting services tailored to your needs. These sessions can cover:

- Initial hive setup and orientation
- Hive inspections and health monitoring
- Mite detection and treatment strategies
- Swarm prevention techniques
- Preparing for honey flow and harvest timing
- Winter preparation and hive insulation

If you decide to move forward, I'd be happy to assist you in selecting the right setup and provide continued guidance throughout the beekeeping season.

Looking forward to helping you build a thriving hive.

Warm regards,

Sheldon Hill
